

We're delighted to announce that Youth@Heart has been selected as a charity for **Global's Make Some Noise 2019!**

Global's Make Some Noise funds and empowers small charities like us, helping disadvantaged children, young people and their families across the UK.

Global's Make Some Noise is supported by the media and entertainment group, Global, home to some of the UK's biggest radio brands including **Heart, Capital, Classic FM, Smooth, LBC, Radio X, Capital XTRA and Gold**. They come together to raise money and awareness for small charities like Youth@Heart, and provide training to boost skills and build sustainability.

For Youth@Heart, Global's Make Some Noise is supporting a majority contribution to a full-time Congenital Heart Disease Youth Worker for one year, providing a support mechanism to young adults aged 16-24 with congenital heart disease, and their families.

On Friday 11th October we'll be taking part in **Global's Make Some Noise Day**. All Global's radio brands and people up and down the country will be doing something to shout about, big and small, to raise money for Make Some Noise.

Let's put our hearts into making some noise!
