

Youth@Heart wins £1,000 Movement for Good award

Youth@Heart has won a £1,000 Movement for Good award thanks to nominations from the public.

Youth@Heart was nominated to win a £1,000 boost as part of specialist insurer Ecclesiastical's Movement for Good awards, which is giving £1million to charities this summer.

This money will help our youth worker to provide activities and workshops for 16-24 yr. olds with congenital heart disease

Members of the public were invited to nominate causes close to their hearts, with 500 gifts of £1,000 available for donation. Youth@Heart was one of more than 7,000 charities which were nominated by an amazing 98,000 members of the public to be in for a chance to win a financial boost.

The Youth@Heart team would like to thank everyone that made us their nominated charity and took the time to vote

Mark Hews, group chief executive at Ecclesiastical, said: "As a company whose purpose is to contribute to the greater good of society, charitable giving is at the heart of our business. We know that £1,000 can make a huge difference to the incredible work that charities do and we're looking forward to seeing how this financial boost will change lives for the better."
